52-0421 Mrs. Mame J. Reid's Birthday**1952**

Mrs. Mame J. Reid, 53 Allen Street, went to work as usual Wednesday as she has for 54 years as a stitcher at Stall and Dean Manufacturing Co., 95 Church Street. Before the day was over she had much evidence of two things, first her 70th birthday anniversary and second, the affection in which she is held by her associates. They presented her gifts, the presentations being made by Richard Stall of the Firm and Lt. Comdr. Horace Maynard, a former foreman at the plant. Mrs. Reid says she plans to keep right on working and being mighty happy at that.

East Bridgewater-- A truck laden with clams bound from Quincy to the Cape sidewiped a tree and turned completely over on Bedford street at 7:30 Friday evening. The accident occurred opposite the residence of John Molk, 355 Bedford street. The load was strewn over the highway. The terrific crash was heard by residents a mile away and this followed by the sounding of fire alarms and the usual heavy Friday night traffic on this route, caused a great pileup of traffic which kept the police busy getting it by the scene of the accident. Peter J. Pace, of 49 Rockland street, Quincy, the operator of the vehicle escaped with minor cuts. Paul McCloskey, 14, of 41 Rockland street, Quincy, riding the front seat was given emergency treatment at the scene by Dr. Altom L. Hurlburt. The other occupant of the front seat was Douglas Keese, 14, of 29 Joseph street, Quincy. An ambulance was called to remove McCloskey to the Brockton Hospital with the other two.

Miss Demetra Peicopoulou, 164 Newbury street, has become the first woman poll tax payer in the city's history as far as it is known. A representative of the tax office said that the mistake in sending the bill to Miss Peicopoulou resulted from the listings turned in by police which listed her as male. Following the usual procedure, the tax office sent her a bill for \$2 for her poll tax on July 18. Although very much an attractive female, Miss Peicopoulou was not to be outdone by any member of the sterner sex, so she went down and paid the tax. Although mistakes are made occasionally in sending poll tax bills to women who are exempt, Miss Peicopoulou is believed to be one of the first of her sex to pay it.

52-1695 Mayor Lucey's 10 Mile Marathon Extras**1952**

The NEAAAU-sanctioned run, being conducted by local playground department, will begin at 6 o'clock from in front of the Club National building on Centre street. The route will go west on Centre street, to Main, to North Main, to Oak, through D.W. Field Park to West, to Forest avenue, to Warren avenue, to Clifton avenue, to Main, to Centre and to the finish in front of the Club National headquarters. Twenty-two prizes, ranging from gold watches to traveling bags, electric clocks and pocket secretaries, will be awarded. Mayor Lucey has given the major prize, a man's personal jewelry set which includes a gold watch, cuff links, collar buttons and watch chain, which will go to the first runner to finish. The mayor also has given other valuable prizes. Club National, whose members will line the course of the route to watch for fouling, will present a leather traveling bag and shaving kit to the first Brockton runner across the finish. The first novice, one who has been competing in road races less than a year, will get an electric clock and ash tray given by Mike Mansulla, veteran runner from this city. A gold watch will go to the runner with the fastest time. Aiding the playground department, the NEAAAU and Club National in conducting the race, will be the local Civilian Police, under direction of Lt. J.J. Lyons. They will be at key intersections to help members of the regular police department handle traffic. The NEAAAU requests the help of persons living in homes by which the runners will pass. It requests them to help provide water for the plodders by having either garden hoses or buckets of water ready when the runners go by. The race will be the featured attraction in a day-long program to wind up the playground department's program for the summer. When the first runner heads through up Main street on the final leg of the race, he will be preceded by a parade of cars carrying contestants for the "Miss Brockton" title. Which will be awarded later in the evening during the playground field day at O'Donnell Field. Prizes will be awarded by Mayor Lucey at Club National following the race. Besides providing about 50 members to help conduct the race, Club National will open its headquarters to the runners for showers and locker-room facilities and will present the runners a luncheon after the run. The 46-year-old Kelley won the BAA grind in 1935 and again in 1945. Although 10 years older the second time he won, he finished nearly two minutes faster than the first time he won. Among the other notables entered are John Lafferty, holder of the NEAAAU record for 30-kilometres; Ed O'Connell, four-time winner of the Canton five-miler; George King of the North Medford Club, State schoolboy cross country champion; Anthony Madeiros, who finished sixth in the BAA run last year and was the first American to cross [extensive continuation, found in paper record].

52-1706 East Bridgewater Accident**August 28, 1952**

Alfred E. Giberti, 23, of 153 School street, Whitman, escaped with minor injuries at 3:35 A.M., to-day when the sedan which he was driving was in collision with a four-car freight train at the Spring street crossing. Giberti was headed towards East Bridgewater centre and riding alone, while the train was backing toward the power station on side track after having moved some freight cars in the East Bridgewater yards. The light sedan was wedged under the caboose of the train with the bumper completely under the platform at the rear of the car. The train, with Alec Thompson of Taunton as engineer and Fred White of Whitman as conductor was preparing to Bridgewater after its switching work when the accident occurred. Officer Albert Saccocia of the East Bridgewater police went to the scene in a cruiser and summoned a private ambulance in charge of Harold E. Snell, which removed Giberti to the Brockton Hospital. Chief Myron F. Hayden also went to the scene to aid the investigation. The car had to be towed away by a wrecker. Giberti was given a thorough examination at the Brockton Hospital but was found to be suffering only from a shaking up and was taken home by his father. The car was registered to Paul E. Giberti, 153 School street, Whitman and was a 1950 Sedan. The front end of the car, especially the left side, was extremely damaged by the collision.

52-1709 Auto Spins in Collision; 3 Persons Hurt**August 13, 1952**

Two Brockton young women were hospitalized and an Abington man was also injured in a collision just before midnight Tuesday on Centre street, nearly opposite the Brockton Hospital. Held for treatment at the hospital were Helen S. Kahaiyan, 19, of 754 Main street and Marie Casey, 19, of 13 Standish street, both of whom were thrown from their car when it was in collision with an auto driven by Herbert A. Sprague, 24, of 175 Lincoln street, North Abington. According to patrolmen Walsh and J. Sullivan, Miss Kahaiyan was leaving a restaurant opposite the hospital and after reaching the edge of the street, stopped to let another car enter the yard. She told police she saw no vehicle coming as she pulled out into the road. Sprague told police he was driving easterly on Centre street when the Kahaiyan car pulled out in front of him. He applied his brakes and the car skidded slightly, hitting the other car on the left side near the rear door with the left front fender. The Kahaiyan car was spun around a telephone pole without hitting it but both girls were tossed out by the impact. Patrolmen E. Tamulevich and J. Clark took the two girls over to the hospital, where Miss Casey was suffering from a lacerated knee and contusions and abrasions of the forehead and back of the neck. Miss Kahaiyan was suffering from shock and abrasions. Both were admitted for observation and treatment. Sprague was treated for a bad bump on his forehead. Both cars were extensively damaged on the left sides and had to be towed away by wreckers.

53-0856 Phil, With Bad Cut, Worries About Friend**May 7, 1953**

Phillip Langelier, five, of 426 Moraine Street, on his way to Brockton Hospital with a dangerous cut to his neck, was worried about not being with a playmate on the ride to the hospital late Wednesday afternoon. Phillip was in such a hurry that he ran right into a glass enclosed storm door, shattered the pane and was cut in several places about the neck. According to police the little fellow rushed through his evening meal and started out to join a friend, David Donaghue, up the street. In his haste he overshot the mark and crashed into the glass door before he could turn the knob. Phillip's father, Maurice Langlier, telephoned police for an ambulance and then placed a towel around the neck of his youngster. It appeared to be of some help to Phillip that his "Dad" was allowed to ride with him to the hospital. Patrolmen Zinkevich and McCiaren also smoothed the problem by assuring Phillip that they would have the "siren" wide open on the way to the hospital. Hospital authorities said that by good fortune the jagged cuts just missed cutting any serious areas. The cuts were stitched out as a precautionary measure. Phillip was kept overnight. A nurse said that she suspected that Phillip "enjoyed his visit to the Brockton Hospital."

53-0972 Auto Accident**May 18, 1953**

Five young people miraculously escaped serious injury about midnight Sunday when the auto in which they were riding veered from the road on Washington Street, at Turnpike, struck a utility pole and a tree and then burst into flames. Driver was said by police to be Arthur Machado, 16, of 34 Tucker Road, North Dartmouth, and his passengers were Miss Angie Dube, 18, of 366 Cedar Grove, New Bedford, and three sailors attached to the USS Hancock, now stationed in Boston: Roy Williams, 19, of Florida; Charles W. Edwards, 17, of Alabama and William Hockey, 21, of Florida. Miss Dube, who sustained a back injury, and Machado, who received a concussion, burns on his right arm, a cut on the left eye, and was stunned, were treated at Brockton Hospital and discharged. Hockey, who said he was knocked down twice as he came into contact with live wires as he tried to extricate himself from the wreckage, also sustained a laceration of the right eye, which required stitches to close. Roy Williams had a scalp cut which took 18 stitches, and Edwards received a broken left hand and lacerations of the right wrist. After first aid treatment at Brockton Hospital, they were transferred to Chekea Naval Hospital. Machado, who was driving the car owned by his father, Eugene, told police he did not know what happened as he rounded the curve, but the vehicle veered from the road, snapped the pole off at the base, tearing down wires, and then careened into the maple tree before bursting into flames. The South Easton company of the fire department, in charge of Chief Arthur Bailey, responded and put out the fire, and the badly damaged car was later towed from the scene. Patrolmen Carl Palm, George Pierson and Frank Anderson responded and investigated the mishap and then routed traffic around the accident scene and fallen wires. They were assisted by State Troopers George Strout and Manny White of the Bridgewater barracks. With wires torn down from the pole by the crash, lights in many homes and business establishments in the area were extinguished and traffic lights at the intersection of Routes 106 and 138 were put out of commission. Allen W. Burrill, repairman for the Brockton. . .came to the scene to. . .provide for res. . .service.

53-1371 Fire Tower Dog**August 4 1953**

For Fire Observer Thornton R Adams, 65, of Osterville, life atop the 90 foot fire tower at Barnstable would be lonely indeed were it not for the constant companionship of his three-year old dog Brownie. Unlike other dogs who sometimes fear ascending unprotected stairs Brownie climbs the 86 steps to the top without hesitation and often stops near the edge at the top to survey the countryside below. He's done this now for two years and built especially for him but when awake he's a left to the short - wave radio calls from other fire towers in the area. Should a visitor set foot on the first step of the tower on the ground below, Brownie barks a warning.

For her daughter's wedding Mrs. Johnson chose a gown of gun metal blue with velvet and rhinestones. Mrs. Hanlon, mother of the bridegroom, was attired in a lavender dress and matching hat. Both had shoulder corsages of orchids. A reception followed at Taunton where the tables were artistically decorated with flowers. A turkey dinner was served. A four-tiered wedding cake was decorated with garland pink sweetheart roses. On the bottom layer was a pair of frosted wedding slippers. Mrs. Maureen Perry was in charge of the guest book. Boyden, Jr., of East Bridgewater, best man and Allen H. Fisher of Brockton and avid W. Leonard of Abington, ushers. Given in marriage by her father, the bride was lovely in her gown of chantilly lace over satin. A bodice of chantilly lace featured the dress which also had a small stand-up collar trimmed with seed pearls, lace panels throughout the bouffant skirt and a full length train. To complete the ensemble she wore a fingertip veil of silk illusion and a satin and lace cap trimmed with tiny seed pearls. Her white Rainbow Bible she carried was centered with a white orchid and stephanotis. Ballerina-length gowns of Chinese red and blue taffeta were worn by the maid of honor and bridesmaids. These dresses were styled in an off-the-shoulder design and with them they wore matching stoles, hats, shoes and mitts. They carried old fashioned bouquets. For her daughter's wedding, Mrs. Fisher chose a green taffeta iridescent dress with matching accessories and a white rose corsage. The bridegroom's mother was attired in a navy dress. She had matching colored accessories and a pink corsage. White streamers and wedding bells decorated the West Side Improvement Association hall where the newlyweds received guests from Richmond, Va., Rhode Island, Abington, Whitman, East Bridgewater, West Bridgewater, Pembroke, Taunton, North Easton, Somerville, Stoughton, New York, Brockton and Attleboro. A local orchestra provided music for dancing. Included in the receiving line were the newlyweds, their attendants and their parents. Mrs. Wheaton, who was graduated with the class of 1948 from BHS, attended Williams Business College. She is a member of the First Parish Congregational Church and a majority member and past worthy advisor of the Brockton Assembly, Order of Rainbow for Girls. She also holds membership in the Junior Woman's Club of Brockton. She is employed at the Brockton Edison Co. Mr. Wheaton, who was graduated in 1947 from Abington High School, is also employed at the Brockton Edison Co. He is a member of the First Parish Congregational Church. He served two years with the US Army, nine months of which were in Korea. The couple left on a wedding trip to an unannounced destination. For travelling the bride chose a brown gabardine suit with green accessories and a white orchid corsage. The couple will make their future home in this city.
