NEED HELP PAYING YOUR SPRING BILL? Stonehill College participates in the William D. Ford Federal Direct PLUS Loan Program. This federal program allows parents who have no adverse credit history to apply for up to the cost of education each year, less any financial aid. **This year the Plus Loan interest rate is 6.41 percent fixed with 4.288 percent in up-front fees.** Normally, repayment begins immediately with a repayment schedule of up to ten years; however, deferment of payment during in-school periods is available. For more information on how to apply, contact Eric Newnum, Assistant Director for Loans at 508-565-1076 or visit the Additional Financing Options page on our website by clicking [here](#). If you already applied for the PLUS loan and it does not appear on your bill, please contact Mr. Newnum directly.

ALTERNATIVE PARENT AND STUDENT LOANS: If you applied for a non-federal parent or student alternative loan for the spring 2014 semester and it does not appear on your tuition bill, please contact your lender. Loans cannot be deducted from the balance due unless the College has certified the loan, received confirmation from your lender that all loan paperwork has been processed and the loan is approved. If the College does not have this confirmation by the January 3, 2014, bill due date, the account will be subject to the 1.0% late fee.
