

Your Wellness Work/Life Program Now Offers...

The WellConnect Mobile Application

The WellConnect Application represents an exciting development in Stonehill College's Wellness Work/Life Program. The mobile application is meant to be an informative and practical resource for employees as they continue to explore the various components of their Wellness Work/Life Program.

The Application contains the following features

- A list of all services available to Stonehill College employees through their Wellness Work/Life Program
- One-Touch Call functionality to initiate a service request
- Ability to submit a request for services via a web form
- A number of articles related to pertinent Health/Wellness Issues
- Links to internal resources
- An email platform where users can submit a clinical inquiry to one of our in-house clinicians and receive a response within 24 hours
- Access to Stonehill College's wellnessworklife.com website

ACCESS YOUR WELLCONNECT APP TODAY!

DOWNLOAD: The WellConnect Mobile App is available for download on any Iphone, Ipod Touch or Ipad that is utilizing IOS 4.2.2 or higher. The App is also available on any Android Phone or Tablet that is running version 2.2 or higher. You can download the application directly from your smartphone or tablet in the Apple App Store or Google Play.

REGISTER: To register, complete the following steps

1. Once you have downloaded the application from the store that coincides with your device the WellConnect icon will appear on your home screen 
2. When you are launching the application for the first time, you must click on the registration button in the lower right.
3. You then need to fill out the fields on the registration form. You can create your own username and password, but remember that both fields are case sensitive. The only field that has been pre-configured is the Organization Code. You must input **STONEHILL (all caps)**, as the organization code or you will not be able to complete the registration. (See photo to the left)
4. You will then be taken back to the initial log-in screen where you can now input your username, password and the Org Code (STONEHILL) and you will be able to access all the components of the application.
