

SPRING 2014 BREAKFACTS PROGRESSION OF GIVING

Join us as we explore the building blocks of successful fundraising!

The Center for Nonprofit Management is bringing together seasoned professionals in the field of fundraising to offer the “Progression of Giving” BreakFACTS Series this spring!

Members of Stonehill College’s Advancement Team will join us each month to share their expertise in the areas of Major Gifts, Planned Giving, Annual Giving, Special Events & Stewardship and Corporate & Foundation Relations.

Most importantly, you will learn how all of these areas are connected and how they are each important to building an effective fundraising strategy.
