## Basketball Athletics Financial Aid Agreement

### Conditions of Financial Aid

I understand that to qualify for this financial aid, I must:

- Meet the admission requirements of Stonehill College;
- Complete the CSS Profile (freshmen only) and Free Application for Federal Student Aid (FAFSA). If requested, submit verification documents such as parent and student tax returns, W-2's etc.
- Meet and maintain the eligibility requirements for athletics participation and financial aid established by the NCAA, ECAC, and NE-10., Maintain Satisfactory Academic Progress requirements specified in the Stonehill College catalogue.

My financial aid will cover the following: tuition, course fees, room, board, designated meal plan, and a book allowance. It will not cover Software Technology fees for Business and Economics, health insurance, room guarantee fee, or parking fees.

NCAA and conference regulations as well as federal and college policy restrict the total amount of financial aid a student athlete can receive; therefore, if I receive a federal grant or some other scholarship or financial aid (including earnings from a job during a term), those funds may replace a portion of my athletics grant.

My financial aid will not be increased, reduced, or canceled during the period of its award on the basis of my athletic ability, performance, or contribution to my team's success, because of an injury or illness that prevents me from participating in athletic, or for any other athletic reason.

I am aware that the amount of this aid may be immediately reduced or canceled during the term of this award if:

- I become ineligible for intercollegiate competition (for example, by carrying less than 12 units);
- I give false information on my application, letter of intent, or financial aid agreement;
- I engage in serious misconduct that brings disciplinary action from this institution; or
- I voluntarily withdraw for personal reasons.

I am also aware that this aid **must** be reduced or canceled if:

- I sign a professional sports contract for this sport;
- I accept money for playing in an athletics contest that causes me to exceed the cost of a full grant;
- I agree to be represented by an agent and accept money that causes me to exceed the cost of a full grant; or
- I receive other aid that causes me to exceed my individual limit.
- Note: Stonehill College awards financial aid (need-based, merit, athletic and gift aid) based on the annual total cost of attendance, whereby total aid from all sources will not exceed billed costs. If a situation arises where the College makes an adjustment to the total billed costs, institutional aid will be adjusted accordingly. Changes to institutional charges which would impact the total billed costs could include adjustments to tuition, room and board, and fees. If the adjustments caused total aid to exceed billed costs, a pro-ration of institutional aid would occur to reconcile the difference.

By accepting my athletic related aid as described on myHill, I agree to the conditions described above.
