

## MONTHLY PAYMENT PLAN: THE CONVENIENT, COST-EFFECTIVE WAY TO PAY FOR COLLEGE

You may choose to pay your tuition bill in installments using our online tuition payment plan system. Payment plans help families budget the cost of tuition, room and board by spreading the cost over 4 or 5 months each semester without incurring interest charges. The payment plan can be used in combination with loans and/or direct payments.

### Convenient:

Enrolling in the plan is easy. Authorized users simply log on to [www.stonehill.edu/paymentplan](http://www.stonehill.edu/paymentplan), pick a plan and enroll. Those with myHill access should log on to myHill, Student Home, myBill, and pick a plan and enroll. There are no checks to write. Payments will be automatically withdrawn from your bank account each month. If your student account balance increases, you will be notified by email, and your monthly payments will automatically adjust. If you enroll for the fall semester, **you will need to re-enroll for the spring semester.**

### Cost-Effective:

Tuition payment plans are an inexpensive alternative to education loans or credit cards. The cost to enroll is \$30 per semester.

IF YOU PLAN TO USE CURRENT
