

FINANCE

A Business degree in Finance from Stonehill's AACSB-accredited* Business Administration Department incorporates the study of the acquisition, allocation and management of funds into a program that also leverages the underpinnings of our liberal arts education. The result is students well versed in analytical reasoning, skilled in verbal and written communication, and possessing a broad awareness of the world around us.

Finance majors can choose a curriculum that broadly surveys the field or one that focuses on specific areas of interest such as:

- Global Corporate Finance
- Investment Management
- Banking and Financial Institutions

Recognizing Business Excellence

**Accreditation by the Association to Advance Collegiate Schools of Business is the benchmark of quality for business education worldwide. Stonehill is one of only 42 undergraduate institutions worldwide that have earned the prestigious AACSB accreditation of their business program.*

SPECIAL OPPORTUNITIES

Stonehill College Investment Finance Initiative

SCIFI is a multi-year course of study designed to enhance the critical thinking and analytical skills of participants through hands-on academic and security analysis experience. It combines a demanding course of study with internships, mentoring and management of real-money to represent a truly differentiated experience for our students and participating professionals.

CFA Recognition Program

Stonehill has been welcomed into the Chartered Financial Analyst Institute University Recognition Program. With this recognition, Stonehill has been acknowledged for incorporating the CFA Program Candidate Body of Knowledge into the Finance Program curriculum. The program positions students well to obtain the Chartered Financial Analyst designation, which has become the most respected and recognized investment credential in the world.
