

Instructions for IRS Data Retrieval and IRS Tax Return Transcript

Stonehill College requires either the IRS Data Retrieval or Tax Return Transcript. *Filing your tax returns electronically and early is recommended.* Incoming committed students and returning students should monitor their myHill account frequently to view the status of any required documents.

If you answer yes to any of the following statements, you are **NOT ELIGIBLE** to use the IRS Data Retrieval Tool; therefore, you must submit a Tax Return Transcript to Stonehill College.

- My tax filing status is Married Filing Separately
- I filed a Puerto Rican or foreign tax return

IRS Data Retrieval Process (preferred method, if eligible)

The IRS Data Retrieval Tool is not available until 2-3 weeks after submitting your tax return electronically or 6-8 weeks after submitting a paper tax return to the IRS. If you did not pay all the tax you owe, the IRS Data Retrieval tool is not available until approximately 1 week after you pay the full amount owed.

1. Go to www.fafsa.gov FAFSA form
2. Log in to the student's FAFSA record
3. Go to the Student/Parent Information
4. Answer the filtering questions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer your IRS income tax information to the student's FAFSA
5. If eligible, the student/parent will be asked for their FSA ID before linking to the IRS Website
6. Follow the online instructions to complete the IRS Data Retrieval process
**Note: If student is dependent, the Data Retrieval tool requires both student and parent signatures (FSA ID). Please be sure to submit the FAFSA after completing this process

Please note that when using data retrieval for a joint tax return, use the first name listed on the tax return to search for the data.
