

S05.7 HOUSING SELECTION

Effective Date: 9/4/07

Review Date: 6/1/19

Rising sophomores, juniors, and seniors may select their housing for the upcoming academic year through the annual housing selection process in the spring, given that they meet the eligibility requirements.

Each year the Director of Residence Life, or designee, will maintain and provide students with the housing selection rules and procedures for the upcoming selection process through the Residence Life website and other published materials.
